Frequently Asked Questions

Our **FAQ section** addresses common inquiries and clarifies essential details about the Masters in Healthcare Management program at Doctorials Academy. This resource is designed to guide potential students in making informed decisions about their educational journey.

We aim to provide comprehensive answers to any questions regarding course structure, admission criteria, and career opportunities post-graduation. Students can explore pathways tailored to their backgrounds in healthcare or business, paving the way for a successful career in healthcare management.

Frequently Asked Questions (FAQs)

1. Does this program offer a Degree or Diploma?

The program offers Dual Certification:

- Post Graduate Diploma in Healthcare Management (PGDHM) awarded by Medhavi Skills University, a UGC-recognized university, through Doctorials Academy.
- Professional Certification in Healthcare & Technology Management from Doctorials Academy is designed to provide industry-relevant skills.

2. Who is eligible to apply?

The program is open to:

- Graduates from any recognized discipline
- Medical & Allied Healthcare graduates
- Pharmacy and Life Science graduates
- Engineering, Management, Commerce & Arts graduates
- Freshers and professionals with 0– 5 years of experience
- Entrepreneurs, career switchers, and aspiring healthcare managers

3. Can students from a non-medical or non-technical background apply?

Yes. The program is specially designed for students from both medical and non-medical backgrounds. The curriculum starts from the fundamentals, so no prior healthcare or technical knowledge is required.

4. What are the admission requirements?

Applicants must possess a Bachelor's Degree from a recognized university. Final-year students awaiting results may also apply, subject to eligibility and university guidelines.

5. What is the admission process?

Our admission process focuses on potential, career aspirations, and readiness rather than only academic scores.

- Online Application
- Profile Screening
- Personal Interview/Interaction
- Admission Offer for selected Candidates

6. How can I apply for a scholarship?

There is no separate scholarship application. Every eligible applicant is automatically considered for scholarships during the admission process based on the institute's scholarship criteria.
